Welcome to The Blue Rooster –

Thank you for joining us for a meal today. Our goal is to present a great meal, fine service and a comfortable atmosphere in which to enjoy your time out.

At The Blue Rooster we make real food, using the best in fresh local ingredients wherever possible; we incorporate organic, fair-trade and follow the 'Jersey Fresh' approach wherever practical.

At the core of our shop are the wonderful people who work here. Some make great breads – a range of hand-formed artisan breads & pastries; some prepare great meals - classic & creative; and of course, those who serve with grace & style.

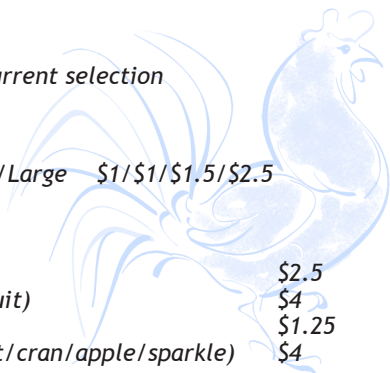

We complement our breads with fine foods including cheeses, pates, relishes and spreads. If you have a moment, stop in the bakery & perhaps you'll find a treat to enjoy at home.

We create meals based on what's fresh and fine. You will find our specials tempting and different most days.

In our 2nd year of operation, we are pleased to be viewed by many as a classic neighborhood café, where friends meet & enjoy a coffee, tea, pastry or a meal.

Thank you for joining us today & we look forward to seeing you next time!

Karen, Bob & the BR staff
